People still appreciate good old-fashioned homemade cooking. Nicholas Pizza House is not a fast food chain. We don't carry frozen products, our cooking is from scratch, starting with sauces to our dough! We've been using the original dough recipe since the restaurant opened. We realize our food preparation takes longer and more care, but we want only the best for our customers!

There are three things that make Nicholas Pizza House a great choice. Excellent food, great atmosphere, and friendly staff. Come and visit us, with owner Ninoos Yousefzadeh and our staff. All we do is make quality food with a smile for our patrons. We are pleased to serve you.

• Thank you, Ninoos Yousefzadeh
